

# Sign Planogram: Tub & Shower Doors

## Bay Name: Tub & Shower Doors 2.1

Effective:  
Feb 5, 2013  
Page: 1 of 4

**Instructions:**

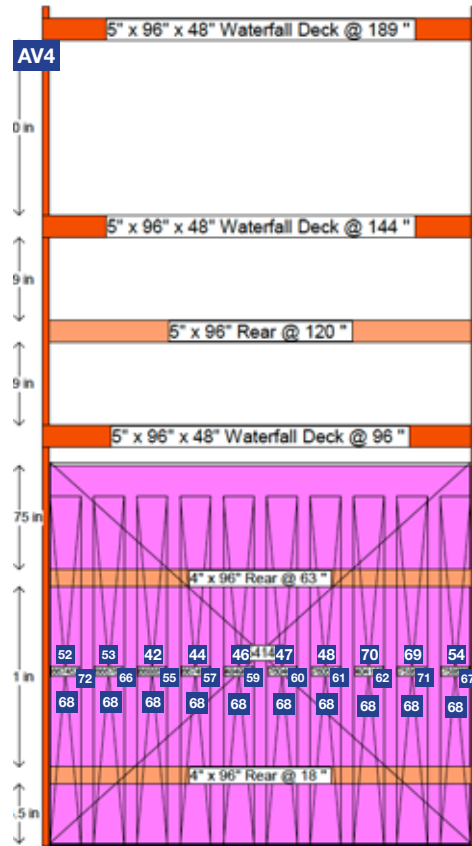

- Install Aisle Violator using AV clips so bottom edge is 72" above the floor
- Shower door product cards will slide into channel on front of fixture, with corresponding article number.
- Shower door price signs will attach to the actual door on the left edge, at the same height as the product card.
- The Pull Here sticker will attach to the front of the display in the space below the product card, on each door display.
