Labels

Stickers

Instructions:

- [Product Cards] Adhere hooks to back of product card (see example photo) and attach to the right of the product display, ensuring all POP is aligned across the bay
- [Beam Labels] Remove any old beam labels (if applicable) and place label on the beam below the appropriate product (i.e. use a Framing Label for Framing nails) and apply appropriate coloured sticker to beam label
- [Stickers] Review article packaging to confirm correct sticker and adhere stickers to indicated area on beam labels
